WELCOME TO THE HAMPTON AREA CHAMBER OF COMMERCE'S

2023 edition of the Seacoast Visitor Guide

We are thrilled to share our *Visitor Guide* that highlights the natural beauty of Hampton Beach and the local seacoast area with you! And YES, for those of you that are considering a visit to our area in New Hampshire, we do have a coastline and beautiful beaches here. Hampton Beach has won many awards over the years including the third cleanest beach in the United States and rated in the *Top 10 Values for Resorts in America*. This has made the New Hampshire Seacoast one of the most desirable vacation destinations along the eastern coastline of the United States.

John Nyhan, *President* Hampton Area Chamber of Commerce

This guide contains everything you need to know about one of New Hampshire's most popular jewels. Within this guide you will find great places to stay, free activities, events, amenities, and dining information. During your visit, you will find friendly business owners, knowledgeable NH State Park's employees that focus on water safety each day. This information is also made available on the websites listed below. Hampton Beach is one of the most beautiful state parks in New Hampshire. We are blessed to be in an area that values a strong sense of community and commitment to both the residents and visitors. It is an honor to work alongside Town Officials, Hampton Beach Village District leaders, business owners, volunteers, and residents. Together we successfully put on the free nightly concerts, weekly and holiday fireworks, the Sand Sculpting Competition, the Children's Festival, the Beach & Brew Fest, free outdoor Monday night movies, the Hampton Beach Seafood Festival, and many other activities. Our goal is to provide opportunities for everyone to get involved and connected here on the New Hampshire seacoast. There are activities offered for people of all ages and interests. From ice cream to fried dough, fast food to fine cuisine, arcades to the golf course — Hampton Beach has something to offer for everyone. We also have a variety of seacoast hotels, motels, Bed &Breakfasts, and rental beach cottages to choose from, so stay as long as you want. For those that are interested in more than laying on the beach, we have many outdoor recreational activities that will keep you busy throughout the day. Recently, Hampton Beach was featured in a (30) minute television show on a New England TV station which highlighted many of our outdoor activities - see for yourself by going to:

LETTER

from the Hampton Beach Village District Commissioners

Welcome to another summer of free entertainment! The residents and businesses of the Hampton Beach Village District are proud to sponsor another summer of free events. In June we will be celebrating the 23rd year of the Annual Sand Sculpture Classic. We will also continue to provide all of the bands on the Seashell Stage and weekly fireworks (TBD). On Monday nights we will again be sponsoring the free movies on the

beach with additional sponsorship by the Boardwalk Café and JB's. In July we will be featuring the Miss Hampton Beach Competitions and the Country Fest. We are the major sponsor of the Children's Festival in August, and we will again be bringing the Hampton Beach Talent Competition to Hampton Beach. Plus in September, come see the Boston Circus Guild at the Seashell Stage and the Fire Show on the beach.

We would like to thank the Hampton Area Chamber of Commerce for their assistance and the New Hampshire State Parks for providing a venue for us to present our events. Most of all, we would like to thank the taxpayers of the Hampton Beach Village District for helping to finance all of the free summer events.

The New Hampshire Seacoast's Beautiful Beaches

Hampton Beach State Park

Hampton Beach State Park covers over four miles of the New Hampshire Seacoast. Within this stretch of Atlantic coastline you will find three unique beaches to explore. Each one is slightly different, and all offer something for everyone to enjoy.

North Beach

Located between High Street and a rocky point called Great Boar's Head, North Beach is the longest section of the beaches. Hidden behind a high concrete surf barrier, it almost vanishes at high tide and becomes a fine sandy plain at low tide. This is the place to come to catch some tasty waves if you want to surf, try surf fishing, or take a walk and watch the action from the heights of the wall.

Center Beach

This is the heart and soul of Hampton Beach, extending from Church Street down to Haverhill Avenue. A wide, clean, sandy beach with pristine water is ready to greet you this summer, with events, tax free shopping, restaurants, arcades, and so much more.

South Beach

Tucked between Epping Avenue and the mouth of Hampton Harbor is South Beach and the State RV Park. This quiet corner is ideal for those who want to camp out, or need a place for a large get together.

There are six State Park beaches along the NH seacoast.

The NH State Beaches are a great family location with an Atlantic ocean-front setting—the sandy beach is ideal for swimming and picnicking. Amenities at the beach include a bathhouse. Metered parking is available. Pay Stations that are located at State Beaches accept cash and coins as well as credit and debit cards.

NORTH BEACH 920 Ocean Boulevard, Hampton, NH 03842

NORTH HAMPTON STATE BEACH 27 Ocean Boulevard, North Hampton, NH 03862

JENNESS STATE BEACH 2280 Ocean Boulevard, Rye, NH 03870

WALLIS SANDS STATE PARK 1050 Ocean Boulevard, Rye, NH 03870

Wallis Sands State Beach offers oceanfront swimming, views of the Isles of Shoals, and a sandy beach that families especially enjoy. Beach amenities include a store that sells a variety of items, food, and drinks; and a large bathhouse with hot and cold showers. The park has a grassy area with picnic tables, but fires are not allowed. The parking lot can accommodate 500 cars.

ODIORNE POINT 570 Ocean Boulevard, Rye, NH 03870

At Odiorne Point State Park picnickers can enjoy sweeping views of the ocean and rocky shore, and explorers can uncover evidence of past military occupation. An extensive network of trails wind through the dense vegetation and traverse the park. The Seacoast Science Center, which is located in the park, has exhibits relating to the natural and human history of Odiorne and the seacoast area (separate fee). The Seacoast Science Center will be providing free programming this summer for parks guests

There are great camping opportunities on the Seacoast! On the one hand, there are plenty of trails, harbors and rivers to explore in the great out of doors. On the other, you are a short stop from the amusements, entertainment and food at Hampton Beach. The best of both worlds is waiting for you along our scenic seacoast.

There is only one RV Park located directly on New Hampshire's scenic seacoast, and it's right at Hampton Beach. Located in the "South Beach" section, this idyllic state reservation is tucked into a corner of sand dunes between the Atlantic Ocean and the mouth of Hampton Harbor, right where Route 1A crosses over to Seabrook—a great place to camp, swim, fish, or watch the boats.

HAMPTON BEACH

CHILDRENS FESTIVAL

Monday-Friday, August 14-18

Hampton Beach has always welcomed families of all ages, but for one special week, the kids come first!

The Annual Hampton Beach Children's Festival is the fun, family event of every summer. Kicking off on Monday, August 14th with non-stop activities and entertainment all week long, events include mini-golf, a magic act, drumming, face painting, talent show, free ice cream, dancing, story tellers, balloons, and so much more. Plus, prizes!

The week builds up to the grand finale, a Giant Costume Parade, which marches almost the entire length of Hampton Beach on Friday, August 18th. Every child gets a prize just for being in it!

Best of all, all Children's Festival is free and open to the public. For more information visit www.hamptonchamber.com.

Two lucky children will win a new bike! One for the ages 7-10 group and another for the 11-14 group! Just write an awesome winning slogan for Hampton Beach to be used as a bumper sticker for 2024. Submit your entry at the Hampton Area Chamber of Commerce Information Center at the Seashell Stage Complex.

The Playground

Can't make it to the Children's Festival?

No worries, Hampton Beach has the best free beachside playground anywhere on the south side of the Seashell Stage complex (opens in April and closes in October), this sandy fenced-in area is a great place to safely play any time between a snack and a swim!

Presenting Sponsor

Hampton BeachSummer Road Trip!

Did you know that Hampton Beach is less than a day's drive from one-quarter of the population in North America? No wonder more than four million visitors flock to this sandy five-star beach along New Hampshire's scenic seashore every year!

The clean, broad sidewalks and easy access to the sands are bound to delight visitors, from those seeking tax-free shopping or a day catching some waves. Fresh seafood tops the menu at Hampton Beach's restaurants, or catch your own from deep-sea fishing boats running out of Hampton Harbor.

Spend a relaxing vacation in one of the many resorts, and get a head start on your day. Stay to enjoy the free music on the famed Sea Shell Stage and weekly fireworks that light up the night. Every summer day offers something for everyone in the family at Hampton Beach! Browse and get a preview of what summer has in store in this Visitor Guide!

Sand Sculpting Classic

If there is one thing in all the world you must check out this summer, it must be the 23rd Annual Master Sand Sculpting Classic.

Marvel as the sand arrives and a massive group sculpture rises in the center of the beach, honoring the sponsors of this event.

The actual competition takes place June 15-17, you can see giant sand sculptures created before your very eyes from tons of sand. On the afternoon of the final day, you can go down on the sand to vote for the People's Choice.

The sculptures remain up, and illuminated for all to enjoy, day or night through June

25th. Best of all, this event is **FREE** to all, and something the entire family can enjoy during even a day trip to Hampton Beach, New Hampshire.

What can we tell you about **Back Yard Burgers & Wings?**

While we don't have a back yard, we have a side yard patio, and boy — do we have burgers and wings!

Owner Shane Pine is really proud of the smash burgers: "It's the high heat, searing the burger on a flat top and getting that carmelized crust...' mmmmmm mmmmmm

We also have a full bar - including offerings from Four Pines Brewing Company, just down the road in Hampton.

So head here for the side yard patio, the cozy bar, the burgers, the wings, the apps and because the feeling of kicking back in your back yard should never be too far away.

In the beginning, mankind discovered dough. He mixed flour with water and a host of ingredients, added yeast and it rose. But some knew a secret for special occasions for a special taste; they would take this miracle food "dough" and fry it. Today, using the art of dough making you too can enjoy the wonderful aromas of freshness when served fried dough, topped with your flavor of choice.

ACCESSIBILITY

Accessibility for all

The mission of New Hampshire Division of Parks and Recreation is to provide all New Hampshire's citizens and guests with outstanding recreational, educational, and inspirational experiences through the responsible management and cooperative stewardship of the state's natural, recreational, and cultural resources.

Universal Access in NH State Parks and Historic Sites means providing recreation opportunities for everyone regardless of differences in ability. NH Division of Parks and Recreation welcomes all visitors to explore outdoor recreation on state lands.

Accessibility Features:

- Reserved parking spaces
- Wheelchair ramps/battery charging stations
- Beach wheelchairs
- Hardened surfaces on trails and walkways
- Accessible restrooms
- Roll-in showers
- Benches in showers and changing rooms
- Easy-to-reach campsites

Given the vast size and scope of the NH State Park system, expanding accessible opportunities at parks and historic sites is an evolving and ongoing project. As we increasingly make our facilities and programs more accessible, information will continue to be made readily available at our facilities on this website. We encourage you to visit the "Accessibility" sections of each park and historic site page to find the

latest accessibility information for that facility. We also strongly recommend that you contact the facility in advance of your visit to understand what you can expect and how best to make your experience positive.
