# WELCOME TO THE HAMPTON AREA CHAMBER OF COMMERCE'S

## 2025 edition of the Seacoast Visitor Guide

We're excited to share our **Visitor Guide**, which highlights the natural beauty of Hampton Beach and the surrounding Seacoast area. For those considering a visit to New Hampshire, yes, we do have a coastline—and it's breathtaking! Hampton Beach has earned several prestigious awards, including being named the third cleanest beach in the United States and ranking among the **Top 10 Values for Resorts in America**. These accolades have helped make the New Hampshire Seacoast one of the most desirable vacation destinations along the Eastern U.S. coastline.

This guide contains everything you need to know about one of New Hampshire's most popular jewels. Within its pages, you'll find great places to stay, a range of free activities, exciting events, and useful dining and amenities information. Whether you're looking for a cozy beach cottage or a more luxurious hotel, there's something for everyone. From casual dining to fine cuisine, you'll be able to indulge in a variety of delicious meals, all while enjoying the stunning scenery around you. In addition to the beauty of the beach, Hampton Beach offers a wealth of outdoor recreational activities that will keep you busy throughout the day.

Hampton Beach isn't just a place to visit—it's a community that truly cares about its residents and visitors. Friendly business owners, along with the knowledgeable staff at NH State Parks, work together every day to ensure your safety and enjoyment. Hampton Beach is one of the most beautiful state parks in New Hampshire, and the community's commitment to preserving its charm and accessibility is evident. This sense of pride and care extends to all the events we host throughout the year. Whether it's the free nightly concerts, the Sand Sculpting Competition, or the annual Hampton Beach Seafood Festival, there is always something happening to make your visit even more memorable. You'll also have the chance to enjoy free outdoor Monday night movies, the Children's Festival, and the Key West Days in Hampton Beach Music Fest.

The area is rich with opportunities for everyone to get involved, with activities suitable for all ages and interests. From arcades and golf courses to enjoying a quiet moment on the beach, you'll never run out of things to do. Visitors also have plenty of choices for accommodations, including a variety of hotels, motels, Bed & Breakfasts, and rental cottages—making it easy to stay for as long as you like.

When you arrive, we encourage you to visit the Hampton Area Chamber of Commerce Information Center, where our friendly staff is eager to help you make the most of your time here. Whether you're looking for recommendations, maps, or tips on the best local spots, we're here to assist. Our goal as a community is to ensure that every visitor has a fun, safe, and memorable experience during their stay on the New Hampshire Seacoast.

## LETTER

### from the Hampton Beach Village District Commissioners

Welcome to another summer of free entertainment! The residents and businesses of the Hampton Beach Village District are proud to sponsor another summer of free events. In June we will be celebrating the Annual Sand Sculpting Classic. We will also continue to provide all of the bands on the Seashell Stage and weekly fireworks (TBD). On Monday nights we will again be sponsoring the free movies on the beach with additional sponsorship by the Boardwalk Café and JB's. In July we will be featuring the Miss Hampton Beach Competitions and the Country Fest. We are the major sponsor of the Children's Festival in August, and we will again be bringing the Hampton Beach Talent Competition to Hampton Beach. Plus in September, come see the Boston Circus Guild at the Seashell Stage and the Fire Show on the beach.

We would like to thank the Hampton Area Chamber of Commerce for their assistance and the New Hampshire State Parks for providing a venue for us to present our events. Most of all, we would like to thank the taxpayers of the Hampton Beach Village District for helping to finance all of the free summer events.

There are great camping opportunities on the Seacoast! On the one hand, there are plenty of trails, harbors and rivers to explore in the great out of doors. On the other, you are a short stop from the amusements, entertainment and food at Hampton Beach. The best of both worlds is waiting for you along our scenic seacoast.

There is only one RV Park located directly on New Hampshire's scenic seacoast, and it's right at Hampton Beach. Located in the "South Beach" section, this idyllic state reservation is tucked into a corner of sand dunes between the Atlantic Ocean and the mouth of Hampton Harbor, right where Route 1A crosses over to Seabrook—a great place to camp, swim, fish, or watch the boats.

# Sand Sculpting Classic

## Winners of the 2024 Sand Sculpting Classic

If there is one thing in all the world you must check out this summer, it must be the 25th Annual Master Sand Sculpting Classic.

Marvel as the sand arrives and a massive group sculpture rises in the center of the beach, honoring the sponsors of this event.

The actual competition takes place June 6-9, you can see giant sand sculptures created before your very eyes from tons of sand. On the afternoon of the final day, you can go down on the sand to vote for the People's Choice.

The sculptures remain up, and illuminated for all to enjoy, day or night through June 23th. Best of all, this event is **FREE** to all, and something the entire family can enjoy during even a day trip to Hampton Beach, New Hampshire.

## What can we tell you about Back Yard Burgers & Wings?

While we don't have a back yard, we have a side yard patio, and boy — do we have burgers and wings!

Owner Shane Pine is really proud of the smash burgers: "It's the high heat, searing the burger on a flat top and getting that caramelized crust..."  
mmmmmm mmmmm

We also have a full bar – including offerings from Four Pines Brewing Company, just down the road in Hampton.

So head here for the side yard patio, the cozy bar, the burgers, the wings, the apps and because the feeling of kicking back in your back yard should never be too far away.

# The New Hampshire Seacoast's Beautiful Beaches

## Hampton Beach State Park

Hampton Beach State Park covers over four miles of the New Hampshire Seacoast. Within this stretch of Atlantic coastline you will find three unique beaches to explore. Each one is slightly different, and all offer something for everyone to enjoy.

### North Beach

Located between High Street and a rocky point called Great Boar's Head, North Beach is the longest section of the beaches. Hidden behind a high concrete surf barrier, it almost vanishes at high tide and becomes a fine sandy plain at low tide. This is the place to come to catch some tasty waves if you want to surf, try surf fishing, or take a walk and watch the action from the heights of the wall.

### Center Beach

This is the heart and soul of Hampton Beach, extending from Church Street down to Haverhill Avenue. A wide, clean, sandy beach with pristine water is ready to greet you this summer, with events, tax free shopping, restaurants, arcades, and so much more.

### South Beach

Tucked between Epping Avenue and the mouth of Hampton Harbor is South Beach and the State RV Park. This quiet corner is ideal for those who want to camp out, or need a place for a large get together.

### There are State Park beaches along the NH seacoast.

Hampton Beach State Park is a stunning destination that encompasses not only the beautiful park at the southern end of the beach but also the inviting North, Center, and South Beaches. Additionally,

nearby gems like North Hampton State Beach, Jenness State Beach, Wallis Sands State Park, and Odiorne State Park offer breathtaking scenery and recreational opportunities, making this area a must-visit for nature lovers and beachgoers alike.

**NORTH HAMPTON STATE BEACH** 27 Ocean Boulevard, North Hampton, NH 03862

**JENNESS STATE BEACH** 2280 Ocean Boulevard, Rye, NH 03870

## **WALLIS SANDS STATE PARK**

1050 Ocean Boulevard, Rye, NH  
03870

Wallis Sands State Park offers oceanfront swimming, views of the Isles of Shoals, and a sandy beach that families especially enjoy. Beach amenities include a store that sells a variety of items, food, and drinks; and a large bathhouse with hot and cold showers. The park has a grassy area with picnic tables, but fires are not allowed. The parking lot can accommodate 500 cars.

**ODIORNE POINT** 570 Ocean  
Boulevard, Rye, NH 03870

At Odiorne Point State Park picnickers can enjoy sweeping views of the ocean and rocky shore, and explorers can uncover evidence of past military occupation. An extensive network of trails wind through the dense vegetation and traverse the park. The Seacoast Science Center, which is located in the park, has exhibits relating to the natural and human history of Odiorne and the seacoast area (separate fee). The Seacoast Science Center will be providing free programming this summer for park guests.
